Nick Marshall/Sunreturn Ensemble is the new project from guitarist  
Nick Marshall (Kangaroo Moon, Seize The Day, Sun Groove  
Messengers, Mouse, session guitarist).

Musically it crosses boundaries and genres to give an uplifting,  
energised and spiritual musical journey - but some of the paths  
that are travelled could be described as Jazz, Funk, Roots, World,  
Acoustic, Folk...

For this concert Nick will be joined by keyboard player Mark Robson (Kangaroo Moon, Magick Brothers), Bassist Sam Craigan (Spree, Matthew Board and The Family Tree), and drummer JD Dalton (Sun Groove Messengers, Mae Karthausser Band).
